

## SECURITY AWARENESS MODULE

**DURATION:** 39 hours

### **PROGRAM OBJECTIVE:**

This course presents an understandable, integrated view of the many concepts, skills, tools, and techniques involved in security in information technology and helps in preparing for the Security Fundamentals MTA 98– 367 exam. It provides up-to-date information on how to protect data, secure computers and networks from intruders.

### **MODULE OUTLINE:**

- Introduction to Security
- Personal Security
- Computer Security
- Internet Security
- Mobile Security
- Privacy

### **CERTIFICATION**

Microsoft Technology Associate (MTA) in Security Fundamentals

### **ENROLMENT INFORMATION:**

To register in the Security Awareness module, go to <https://www.wilfredinstitute.com>. Under the **Programs** tab, there will be an enrolment form at the bottom of the page. Students wishing to enroll must complete this form and wait for a member of our team to make contact. Students should be prepared to present supporting documents providing proof of a high-school diploma or equivalent. Any questions regarding academic requirements and the submission of documents (once requested by our Admissions staff) are to be directed to [admissions@wilfredinstitute.com](mailto:admissions@wilfredinstitute.com)
