

CYBER THREAT INTELLIGENCE MODULE

DURATION: 39 hours

PROGRAM OBJECTIVE

This course introduces students to the concept of cyber threat intelligence with the aim of highlighting its importance in the maintenance of a robust cyber security infrastructure. Students will explore the different types of cyber threat intelligence and their requirements while gaining the skills to competently identify sources of cyber threats and effectively use a comprehensive protocol necessary to support a successful threat intelligence program.

MODULE OUTLINE

Overview of Cyber Threat Intelligence	Cyber Kill Chain
Indicators of Compromise	Threat Intelligence Collection and Analysis
Cyber Threat Intelligence: Adoption and Users	

CERTIFICATIONS

Cyber Threat Intelligence Analyst Certificate

ENROLMENT INFORMATION

To register in the Cyber Threat Intelligence module, go to <https://www.wilfredinstitute.com>. Under the **Programs** tab, there will be an enrolment form at the bottom of the page. Students wishing to enroll must complete this form and wait for a member of our team to make contact. Students should be prepared to present supporting documents providing proof of a high-school diploma or equivalent. Any questions regarding academic requirements and the submission of documents (once requested by our Admissions staff) are to be directed to admissions@wilfredinstitute.com
